Computerized Testing

Examinations are administered using Exterior's user friendly, windows-based, computerized testing system. Exterior uses IBM compatible personal computers, similar to what you may have at home or in your business. You do not need any computer experience to use this system. In fact, you will only need to use five keys on the keyboard to take the test. (The other keys are disabled—there is no way you can harm the computer, the program, or the test by touching the wrong key.)

Prior to beginning your examination you can take a practice exam to become familiar with the computer testing system. A staff member will be available to help you if you need further assistance.

You will receive your score at the conclusion of the examination.

Walk-In Testing

Candidates may “walk in” and test on a space-available basis for an additional \$10.00 fee. No reservation is required. The examination fee plus the walk-in fee must be paid prior to taking the examination.

Candidates with Special Needs

If you require a special accommodation under the Americans with Disabilities Act (ADA), please contact Experior to obtain an Accommodation Request Form. You will be required to submit written verification of your disability prior to scheduling your examination.

Out of State Candidates

If you are out of state, you may arrange with Experior to take the exam at any recognized testing center such as a university or community college. You must make the arrangements with the testing center and then send Experior the required information along with the fee that includes an additional \$50.00 out-of-state testing fee. Please include the following:

1. Candidate name, address, and phone number
2. Name of Exam
3. Testing Center name, address, phone number, and the name of the contact person
4. Test Fees: exam fee (including additional \$50.00 testing fee).

Candidates are responsible to pay the testing center any required fee.

Experior will mail the exam in a sealed envelope to the contact person at the testing center with instructions for administration. Experior will ship exams to the testing centers within one week after requests have been received. Candidates are responsible to check with the testing center to make sure the exam has arrived by the testing date. Candidates will have a two-week period to take the test once the exam has been shipped to the testing center.

After the exam, the testing center will then mail the exam back to Experior for scoring and the scores will be mailed to candidates within one week. Candidates are responsible for reporting their scores to the state.

Note: All out-of-state candidates will take paper/pencil exams.
